

SAMPLE

Google earth outreach

2011 Vancouver Workshop Participant Worksheet

Name: Jane Doe

Organization: Cowell Beach Watch

Challenge: To be environmental watchdog for Cowell Beach

Overall goal of map: To organize volunteer effort for clean-up event

What data do I have?

(examples: spreadsheets, GIS data, GPS data, photos, videos, etc.)

1. photos - parking lot, meeting spot, cafe
2. KML file of reported garbage sightings
3. Knowledge of beach environment!
4. organization logo
5. _____
(add additional data to end of document)

What tool(s) will I use?

(examples: Google Earth, Fusion Tables, Charts API, etc.)

1. Google Maps - My maps / My Places
2. _____
3. _____
(add additional tools needed to end of document)

SAMPLE

My "To Do" List

(examples: refining/cleaning data, uploading data, styling data, recording audio for tour, etc.)

1. Add placemarks of meeting spots w/ photos
 2. Add polygon of pkg lot w/ photo
 3. Add lines showing where teams will pick up garbage
 4. Add org logo to placemark
 5. collaborate w/ colleagues on mp!
- (add additional to-dos to end of document)

What will I do today? Steps 1-3 above, basically
prepare the map so I can invite my
colleagues to collaborate on the map.

Estimated completion date: 1 day

Questions for Google Earth Outreach team: _____

- can I embed my map on my website?
- how do I email volunteers my map?
- will the whole world also be able add data,
or just my colleagues
I collaborate with?

→ 6. import KML of garbage locations?
